THE EMBLEM

1. “Tamoshomam Jyotirgamaya”, a Vedic verse that expresses the inner theme “Let our darkness be illuminated”, the motive of education.
2. The opened book signifies opportunity of education is open to all.
3. The rising sun symbolizes prosperity and hope in a morning cherishing for a good day.

“The purpose of the education is to moralize and socialize the people.”

Dr B R Ambedkar

HISTORY OF THE COLLEGE

Government Science College, Chatrapur is the only government college and premier colleges of Chatrapur sub-division. The untiring efforts of the few dedicated and enlightened souls of Chatrapur for over a decade resulted in the establishment of this college on July, 8, 1969 under a private management with only arts and science streams. The college then made rapid strides. First year degree course in Arts and pre-professional classes in science started in 1970. It was accorded affiliation for the second-year degree class during 1970-71 and the following year the college was full-fledged with arts stream. Science classes of degree pass started in 1976-77 with 32 seats each in PCM and CBZ. Honours in economics and political science started in 1977 and 1978 respectively. During 1980-81, this college recorded a significant progress in starting the commerce stream. History honours and zoology honours started in the same session and English honours in the following session.

A new era began in 1982, when the private management was taken over by the government. Thereafter, teaching in number of honours and the post-graduate were introduced. This momentous event ushered in a new ray of hope and optimism with the introduction of 10+2+3 pattern in Higher education, Odisha I 1983 and the three-year degree course was introduced in 1985. Physics and chemistry honours started in 1989-90.

College was accorded affiliation in commerce degree stream in 1990-91 session. Botany Honours started in 1991-1992. In 1993-94 session, honours in Odia and Commerce and Mathematics honours for both Science and Arts started. College added one more feather in its cap by opening post-graduation in Odia and History in the year 1997 and was declared one of the lead colleges of Government of Odisha.

Odisha state open university was opened in the year 2021 with post-graduate and undergraduate courses in Arts and Commerce stream. It started in Onslow institute since its infancy till 1980, when it has its own building. By this time, a commerce block, science block, library building, reading room, auditorium and the Odia department building were added.

IMPORTANT

1. All the rules, however, are subjected to change by the principal for the smooth working of the college and are not to be challenged in any court of law.
2. Ignorance is weakness but knowledge is power. Ignorance of the rule is not an excuse. Hence every student of this college is advised to go through this calendar carefully and acquaint himself/ herself with the guiding rules and regulations of the college.
