

Title of Activity	Observation of Global Hand Washing, 2024
Date	01.11.2024
Place	Government Science College, Chatrapur, Ganjam
Number of Participants	Total: 91
Objective of the Meeting/ Seminar /Workshop/Event	Global handwashing day, observed with aims to raise awareness and promote the importance of hand hygiene through proper handwashing with soap as a key factor in preventing disease and saving lives.
Name of the Resource Person/ Trainer/ Guests	Dr. Ajay Kumar Tripathy (Chair), Sri B. Govinda Rao Dr. Manas Kumar Tripathy, Dr. Milimita Padhi Dr. Jagdish Pal, Dr. Usha Rani Brahma
Outcome	Promote the habit of handwashing with soap as a simple and effective way to prevent infections and illnesses. Raise awareness about the link between hand hygiene and health, especially in preventing diseases like diarrhea, respiratory infections, and COVID-19. Encourage behavior change and build long-term habits, especially among children and in communities with limited resources. Educate the public about critical times for handwashing, such as before eating or after using the toilet. Support hygiene programs in schools, health facilities, and households. Inspire local and global action to improve access to handwashing facilities and clean water.
