

Title of the Activity	Walkathon on Emerging Energy Transition		
Date	25.12.2024		
Place	Outside the college campus		
No of Participants	Total-22	M-12	F-10
Name of Resourse Person/Trainer/Guest	NCC ANO		
Objective of Meeting/event	To insist people for use of renewable energy resourses. To encourage community for use of Solar energy and reduce CO ₂ emission.		
Discussion Points	Now-a-days world has been changing rapidly with sustainable growth. So in order to reduce carbon foot print green energy must be used and Coal/petroleum must be used economically.		
Action taken	Our NCC cadets conducted a walkathon to outside of college campus on energy transition on the above concept. A classroom speech was conducted for spreading awareness on this regard.
