

A Brief report on NCC of Govt Science College Chatrapur for session 2024-25

Title of the Activity	World environment Day-2024		
Date	05.06.2024		
Place	Near Tampara Lake of Tareipatapur Villoge and College campus		
No of Participants	M-12	F-15	Total-27
Name of Resource Person/Trainer/Guest	Principal, NCC Officer and Miss S Ranjita Rani, HOD Department of History of this college.		
Objective of Meeting/event	Create Environmental awareness in community, to make plastic free college campus, make aware not to pollute Tampara lake by any means, plant trees in college campus.		
Discussion Points.	5 June of each year is celebrated as World Environment Day. On this occasion NCC Unit celebrated this day in support with YRC Unit of this college.		
Action taken	Our NCC cadets joined in a foot rally starting from our college campus to Tareipatapur village for environmental awareness. Saplings were planted inside college campus by ANO and Principal. A formal meeting was held in college to discuss on the importance of the Day.
