Action Taken Report
For The Meeting Held on 11.12.2025
Dt 17.09.26

1. As the portal for AQAR submission is yet to be open under binary accreditation the institution is keeping ready all the documents for AQAR and SSR submission.
2. Question banks for some of the subjects has been already uploaded in the website and faculty members are requested to provide more numbers of question banks for each paper.
3. Infrastructure has been upgraded in the common research laboratory. The fitting of water connection and instruments is yet to be completed.
4. An awareness programme was conducted on the use of solar energy on the Dt 05.03.2026. A committee has been also formed for net zero consumption.
5. For making MOU functional a seminar was organized in collaboration with Sahitya Sansad on Dt 05.07.2025, a Mega plantation programme was organized in collaboration with Rotary Club on Dt 23.07.2025, a state level seminar was organized on Tribes of Southern Odisha in collaboration with coats on the Dt 06.11.2025.
6. A total of 5 number of research paper, one book chapter and two books were published by faculty members from December 2025 to till now and faculty members are encouraged to publish a greater number of papers and getting projects. Three projects from MRIP are running under the supervision of Dr Laxminarayan Sahoo, Asst. Professor in Chemistry, Dr Diana Pradhan, Asst Professor in Zoology and Dr Suchinnata S Sardar, Asst Professor in Botany.
7. Various programmes were organised to provide students with academic exposure, career guidance and opportunities for professional development like Journalism is a Public Service was held on 13.02.2026, FFDC Entrepreneurship Programme was held on 26.03.2026 and all the 11 departments carried out Career Counselling programme from Dt 15.07.2026 to Dt 05.07.2026.
8. The College organised seminars, conferences and academic programmes to enrich the learning environment and promote academic interaction which included 9th Annual Conference of South Odisha History Society on Dt 08.02.2026, Two-Day International Conference on 'Driving Innovation: The Convergence of Digital Marketing, Fintech & Entrepreneurship in the Global Economy' on 07 th and 08 th February 2026, National Science Day was observed on 28.02.2026, a State-Level Seminar on Gita Govinda was organized on 26.03.2026, an One-Day National Seminar was organized by department of Odia on 26.07.2026 and a training programme on 'Enhancing Quality Parameters in Higher Education' was organized on 01.08.2026.
9. To promote Odia language, literature, and cultural heritage, the College hosted several academic and celebratory events throughout the year. Observances began with Shastriya Odia Bhasha Divas on March 11, 2026, followed by a State-Level Seminar on Gita Govinda on March 26. The institution then celebrated

- Odia Pakhya from April 1 to April 14, 2026, highlighting regional literary traditions. The cultural initiatives concluded on July 5, 2026, with the inauguration of a book by Shri Purnachandra Mohapatra. Together, these activities deepened students' appreciation for Odia heritage and literary culture.
10. To promote environmental consciousness and campus sustainability, the College organized several targeted cleanliness and conservation initiatives throughout the year. The campus launched its efforts with a Campus Cleaning Drive on January 11, 2026, followed by World Wetlands Day on February 2. Conservation awareness continued through a Plantation Programme on June 5, Van Mahotsav Week on July 4, and the regional "Ama Ganjam Swachha Ganjam" cleanliness drive on July 28, 2026. The series concluded with an International Tiger Day observance on July 29, 2026. Together, these activities successfully reinforced environmental responsibility and sustainable habits among students.
 11. To promote health, hygiene, and well-being, the College organized several wellness and social responsibility initiatives. Events began with National Youth Day on January 12, 2026, followed by a seminar on "Caution and Warning Signs of Cancer" on April 18. Cleanliness and fitness were further emphasized through the Amma Mahavidyalaya/Swachha Mahavidyalaya drive on June 10, International Yoga Day on June 21, an awareness session on Blood Donation and Its Benefits on June 25, and a dedicated Health Awareness Programme on July 25, 2026. Together, these activities successfully encouraged health literacy, personal fitness, and active civic engagement among students.
 12. To promote women's safety, empowerment, and legal rights, the College conducted several focused awareness initiatives during the year. The campus hosted an Awareness Programme on the POSH Act on June 29, 2026, to educate students and staff on workplace safety regulations by Internal Committee. This was followed by an Awareness and Orientation Programme on Women Safety and Empowerment on July 22, 2026, and a Legal Rights Awareness Programme on August 31, 2026, to inform students of their statutory protections by Shaktishree Cell. Together, these measures fostered a safer, more informed, and empowered campus community.
 13. To foster a healthy, drug-free campus, the College organized targeted awareness initiatives throughout the year regarding substance abuse. The campus launched its anti-drug efforts with the Nasha Mukta Bharat Abhiyan on March 24, 2026, followed by the Nisha Mukta Vikshit Bharat campaign on August 13, 2026. Students further demonstrated their commitment by taking a Pledge for a Drug-Free Campus on August 18, 2026, leading up to a comprehensive Anti-Drug Awareness Programme on August 28, 2026. Together, these initiatives effectively reinforced the importance of well-being and a drug-free academic environment among students.
 14. To promote democratic values and civic awareness, the College organized key initiatives throughout the year encouraging active student participation in democratic processes. The institution observed National Voters' Day with a preliminary Pledge on Voters' Day on January 22, 2026, followed by the main observance on January 25, 2026. Later, on July 21, 2026, an awareness program on 'Special Intensive Revision session' was held to guide students through voter registration and electoral procedures. Together, these activities successfully

deepened students' understanding of their civic responsibilities and the importance of active democratic engagement.

15. To foster personal growth and innovation, the College hosted several key student development programs throughout the year. Initial efforts began with a Self Defence Training Programme on January 20, 2026, followed by Induction Programmes for Plus Two students on July 30 and Plus Three students on July 31. The campus later encouraged entrepreneurial thinking through a Competition for Innovation/Startup on August 24, 2026. Together, these initiatives successfully guided new students, built practical confidence, and promoted active institutional engagement.
16. The College observed key national and cultural occasions to foster unity, patriotism, and active participation across the campus. Early in the year, the institution held its Annual Function on January 13, 2026, followed by Saraswati Puja on January 23. Patriotism took center stage with Republic Day celebrations and an accompanying Cultural Event on January 26, as well as the Har Ghar Tiranga campaign on August 14 leading into Independence Day on August 15. Additionally, the campus commemorated Seva O Sevak Diwas on July 14, 2026. Together, these events deepened students' sense of institutional belonging and cultural pride.
17. The College continued its extension and community initiatives through the NSS, NCC, YRC, and other institutional bodies to foster social responsibility among students. Key efforts included a Campus Cleaning Drive on January 11, 2026, a Plantation Programme on June 5, 2026, and an awareness session on Blood Donation and Its Benefits on June 25, 2026. These were followed by the "Ama Ganjam Swachha Ganjam" cleanliness drive on July 28, 2026, and a District Working Committee meeting of YRC on August 9, 2026, to enhance institutional coordination. Together, these activities effectively strengthened students' civic engagement and dedication to community service.
18. To strengthen institutional functioning, quality initiatives, and overall professional capacity, the College conducted targeted activities aimed at continuous development and operational excellence. On June 5, 2026, the institution hosted a CAPA Training Programme focused on streamlining the college's accounting system. This was followed on August 1, 2026, by a session dedicated to Enhancing Quality Parameters in Higher Education, designed to elevate academic and institutional standards. Together, these measures played a vital role in advancing institutional excellence, driving quality enhancement, and ensuring the effective functioning of the College.
19. To support institutional planning and quality enhancement, the College actively gathered feedback from key stakeholders throughout the year. Student feedback was systematically collected, analyzed, and uploaded to the college website. Additionally, feedback was obtained from parents during the Parent-Teacher Meeting on December 4, 2025, and from former students during the Alumni Meet on May 3, 2026. Together, these measures ensured continuous evaluation and institutional improvement.
20. To enhance digital governance and institutional visibility, the College implemented key administrative and online updates throughout the year. Faculty members created and uploaded original e-content to the college website, and institutional data was systematically compiled and submitted to the Department of Higher Education (DHE) for the development of a new official

website. To maintain active public engagement, a dedicated social media Cell was constituted to document and share campus activities. Additionally, the Annual Report 2025 was published on the website to promote transparency and highlight institutional achievements.

21. To fulfil national quality standards, the College successfully submitted its AISHE data for the 2024–25 academic year. Expanding its benchmarking efforts, the institution also participated in the National Institutional Ranking Framework (NIRF) 2026 for the first time, submitting all required data on February 1, 2026. These milestones highlight the College's dedication to transparency and academic excellence.
22. To ease financial barriers for higher education, almost all students received support through various financial aid programs. Students benefited from state schemes via DHE Odisha, National Scholarships, and private funding initiatives, including the Tata Jyoti Scholarship. Together, these opportunities significantly enhanced student welfare and academic access across the institution.
23. To ensure institutional quality, environmental sustainability, and inclusivity, the College continues to systematically evaluate its practices through comprehensive auditing. Audits for the 2024–25 academic year—covering Academic, Energy, Environment, and Green standards—are near completion, while assessments for 2025–26 are actively underway. Demonstrating its ongoing commitment to equity, the institution has also integrated a Gender Audit into this year's evaluation framework.
